M. ARCH (LANDSCAPE ARCHITECTURE)

Academic Year 2023-24

MLAR 221 - Thesis

Coordinator: Dr. M.Bannu Chitra

Total: 100% Credits: 24

Internal Assessment: 60%

External Assessment: 40%

Objective:

To provide the students opportunity towards application of the knowledge gained in an independent Thesis, with a design or a research focus, to arrive at a creative/ thoughtful design or findings, enriching the landscape architecture database.

Course Content:

Independent research and presentation of findings under the direction of a supervising committee. The findings of the thesis should extend the boundaries of the professional discipline by either presenting new and unique ideas or information, or by interpreting existing knowledge from a different perspective. In case of a research thesis, the study should necessarily culminate into a methodology / policies/ guidelines.

Landscape Architecture thesis will consist of two parts:

- (a) Research oriented towards establishing a strong theoretical background for the chosen subject.
- (b) Application to a Landscape Planning or Landscape Design proposal with appropriate details.

Outcomes

Students finishing this course will be able to:

1. Apply the systematic/methodological learning from their education and training in an independent thesis, with a design or a research focus.
2. Handle a complete a project of their own choice, with a design or a research focus, in an applicable manner using their creative ability.

Assessment Schedule

S.No	DELIVERABLES/ OUTCOME	Assessment Type (Panel/Guide)	Schedule	Assessment (%)
1	Stage I Review - Synopsis Finalization of Research area and the Thesis topics	Panel	17 th January 2024	-
2	Stage II Refined Synopsis, Data collection on the selected topic, Synthesis of theoretical background (methodology / policies/guidelines), Case Studies identification, Site selection	Panel /Guide	29 th January - 2 nd February 2024	Guide – 5% Panel – 5%
3	Stage III Analysis of case studies, inferences , Site Documentation, Site analysis, inference, Concept and Zoning, conceptual scheme development	Panel	26 th February – 01 st March 2024	Midterm 20%
4	Stage IV Preliminary proposal on Master plan and required details (Submission of Rough draft of A4 Thesis report)	Panel /Guide	02 nd -15 th March 2024	Guide – 5% Panel – 5%
5	Stage V Comprehensive landscape development plan, Design Development and Details	Panel	16 th - 29 th March 2024	Panel – 5%
6	Stage VI Pre final Jury (Revised Comprehensive landscape development plan and details)	Panel /Guide	30 th March – 12 th April 2024	Guide – 5% Panel – 10%
7	Stage VII Submission of Final Sheets and Thesis Report as per the Institute format for End Semester Jury		22 th April 2024	-
	End Semester Viva Voce Examination			
				40%
