

DR. SHANMUGA PRIYA G

Name : Dr. Shanmuga Priya G
Qualification : PhD (Design and Planning) University of Colorado Denver, USA;
PGDLA (Eq. to M.Arch in Landscape Architecture) CEPT, Ahmedabad;
B. Arch School of Architecture and Planning, Chennai.
Experience : 22 years
Research Interest : Sustainable Built and Natural Environment; Traditional and Sustainable Water Management Systems; Urban Green Spaces and Green Networks; Analysis of Landscape Changes.
Email : shanmugapriya@spav.ac.in
Phone : 73585 77940

Dr. Shanmuga Priya G received PhD in Design and Planning from University of Colorado Denver, USA. She completed post-graduation in Landscape Architecture from Center for Environmental Planning and Technology (CEPT), Ahmedabad. She received her Bachelor's Degree in Architecture from School of Architecture and Planning (SAP), Anna University, Chennai. She was selected as the "Best graduating student of Center for Environmental Planning and Technology in Landscape architecture program" for the year 1994 -95 and received B.V Bhagwat memorial award. She was also selected for the award of "AICTE National Doctoral Fellowship" in the year 2004.

She has 22 years of teaching and research experience in the fields of Architecture, Landscape Architecture and Planning. She has presented and published research papers in many international and national conferences and proceedings, such as International Society of City and Regional Planners (ISOCARP) International Planning Congress, Annual Conference of the Association of Collegiate Schools of Planning (ACSP), Resilience - International Science and Policy Conference, Annual conference of Indian Society of Landscape Architects (ISOLA), and World Sustainable Building Conference.

She is interested and actively involved in the dissemination of knowledge through a variety of methods such as development of e-content, coordination of online courses and organization of training programmes. She coordinated an online course titled "Energy Efficient and Sustainable Architecture: Concepts and Design Strategies" on SWAYAM – a platform initiated by Government of India to facilitate hosting of online courses and developed by MHRD and AICTE. She has developed e-content for the course Landscape and Ecology offered in the B.Arch programme in four quadrant model under NME-ICT project by MHRD including video lectures that were telecasted on the CEC-UGC Higher Education Satellite Channel of MHRD known as VYAS channel. She organized a short-term Quality Improvement Program (Q.I.P.) sponsored by AICTE and Council of Architecture (COA) for teachers of architecture titled "Teaching in the Age of Digital Media - Using Content Development Tools." She has delivered invited speeches at several forums such as GRIHA Regional Summit 2018 held at Bangalore and Faculty Development Programmes.

She is a Fellow member of Indian Society of Landscape Architects (ISOLA). She is a GRIHA Certified Professional.
